### **SLC International Airport Completes Central Tunnel Art Installation** *The River Tunnel: An Immersive Passenger Experience*

- What:** Salt Lake City Department of Airports (SLCDA) is pleased to announce the completion of The River Tunnel installation by Artist Gordon Huether in the Central Tunnel. The media are invited to get a sneak peak of the tunnel and hear from Mr. Huether. In addition, a member of the tunnel construction team will answer questions about the build out of the tunnel, plus media will have an opportunity to tour the area that will house a future train.
- When:** The program begins Wednesday, April 3 at 10 a.m. Media should be onsite no later than **9:30 a.m.** to pick up a badge be escorted through security screening.
- Where:** **This event will take place in a secure area of the airport and requires a badge to access the event. Anyone planning to attend will need to RSVP with their legal name and date of birth 24 hours in advance.**  
Plan to meet at the Terminal Badging Office located by Delta baggage carousel 8 and 9, located the on second floor of the terminal building, to pick up a badge and be escorted through security.
- RSVP by Tuesday, April 2 no later than 10 a.m. to [nancy.volmer@slcgov.com](mailto:nancy.volmer@slcgov.com)**  
(Plan to bring a mic in addition to equipment to plug into a mult box.)
- Who:**
- Bill Wyatt, Executive Director, Salt Lake City Department of Airports
  - Julito Gancho-Area Manager, Concourse B and Central Tunnel
  - Gordon Huether, Artist
- Media:** The media parking lot will be open for the event. If full, park in the garage and request a validation from a member of the airport's MarCom team.
