## KU42 RUNWAY OVERLAY PROJECT BEGINS ON MARCH 20

SLCDA will mill and overlay runway 16/34 and a portion of taxiway A at South Valley Regional Airport (KU42) beginning on March 20.

Phase I begins on March 20 and runs through May 20 (60 days) and includes- realigning taxiway B on the south end, removing taxiways A1 and A2, and constructing a new aircraft run-up area, which will be located north of its present location. The runway will have a temporary 300-foot displacement on the south end with a temporary runway length of 5,300 feet.

Phase II involves milling taxiway A from the corporate hangars to taxiway A-5. Phase II will be done concurrently with phase I and will occur between May 6 and May 20.

During construction, phases I and II fixed wing back taxiing on the runway may be required for takeoff.

Phase III (runway milling and resurfacing) begins on May 20 and ends on June 3. The airport will be closed to all fixed wing operations during that time.

Tie-downs will be made available at Salt Lake International (KSLC) and Tooele Valley Airport (KTVY) for tenants who desire access to their aircraft during phase III.

All dates are subject to change. More information will follow as the project nears.

## SOUTH VALLEY REGIONAL RUNWAY CLOSURES IN FEBRUARY

Runway 16/34 at South Valley Regional Airport (KU42) will be closed on February 16 and February 17 between 0400L and 0800L. The closures are for survey work on runway 16/34.

## SOUTH VALLEY REGIONAL CONSTRUCTION UPDATES

The SLCDA is establishing a construction update email list for the upcoming overlay project at South Valley Regional Airport. The list will provide the latest information on operational concerns during the project. Email Dave Teggins at [dave.teggins@slcgov.com](mailto:dave.teggins@slcgov.com) if you would like to be added to the list. Updates will also be placed on the GA Hotline (801) 575-2443.

## UBAA SAFETY AND SECURITY LUNCHEON

The Utah Business Aviation Association (UBAA) will hold its annual safety and security luncheon on February 15 between 10 am and 3 pm at the Airport Training and Activities Building located at 1911 North 2200 West. Luncheon topics include:

- Aviation Cyber Security
- NBAA Industry Update
- Fall Prevention and Hangar Safety
- Utah State Aeronautics Update
- SLCDA Airport Update

More information concerning the luncheon can be found at <https://ubaa11.wildapricot.org>.

## SLCDA GA NEWS ELECTRONIC OPTION

If you would like to receive the Salt Lake City Department of Airport's monthly general aviation newsletter by email, send a request, including your current email address, to [dave.teggins@slcgov.com](mailto:dave.teggins@slcgov.com).

# AIRPORT BADGING INFORMATION

Whether your badge is due to expire next week, or next year, or if you are just considering getting a badge, now is the time to prepare! In this article we will go over a few basic requirements to make sure the badging process goes smoothly.

To obtain a new badge or to renew or update an existing badge:

- **Always schedule an appointment** by calling (801) 575-2423
- Bring a signed application\*
- Have one form of photo ID (e.g. a driver's license)
- If you are updating or renewing an existing badge, bring your old badge with you

If you have a Hangar badge you must have the lease holder sign your application, if you are the lease holder, SLC Airport Properties Specialist Phil Bevan may sign your application. If you have a corporate hangar badge, an authorized signer with your company must sign your application.

If your badge has been lost:

- Report the lost badge immediately by calling (801) 575-2423
- Pay replacement fee of \$50 (no cash or personal checks)
- Sign badge status change form available at—  
[www.slcairport.com/badging/forms-library](http://www.slcairport.com/badging/forms-library)
- Bring in one form of photo ID

Lost badges can be replaced on a walk-in basis. If the badge has been stolen, the process is the same but no payment is required if a police report is provided.

We look forward to working with you. For scheduling or if you have any further questions, please contact Badging at (801)575-2423. For more information, review the included handout or visit our website at [www.slcairport.com/badging](http://www.slcairport.com/badging)
