

## SLC TAXIWAY K OVERLAY FUNDING PENDING

Taxiway K is scheduled to be re-surfaced sometime during summer 2019. The airport is currently waiting for project funding from the FAA. Work will commence on the overlay once the project is funded.

The current construction plan has the project divided into six phases. The overlay is expected to take approximately 10 days to complete. Edge lights on taxiway K will also be upgraded to LED lights during the project.

Aircraft taxi route changes will take place during different phases of the project. Aircraft operators should check NOTAMS throughout the project and plan accordingly. Pilots should plan extra time for added taxi distances and routes. Dates will be provided as they become available.

## SLC International Spring Runway Closures

Several runway closures are planned for SLC International so maintenance crews can remove rubber deposits from the runways.

Runway 16R-34L:	May 10-14
Runway 16L-34R:	May 17-20
Runway 17-35:	Pending

**Please check NOTAMS and plan accordingly.**

Please control and clean up after all animals brought into GA Airport areas.

## ST. GEORGE AIRPORT CLOSURE

Runway 1/19 at St. George Municipal Airport (SGU) is scheduled for major reconstruction this summer. The runway will be closed between May 29 and September 26. The airport will be closed to all fixed wing aircraft during this time.

## TVY RAMP CONSTRUCTION TO BEGIN SOON

Black Forrest Paving was the winning bidder for the Tooele Valley Airport (TVA) South Ramp Restoration project. The project should begin in late April and is expected take between 10 and 14 days to complete. Tenants will be able to access the restrooms and south hangars through a manual gate in the area. Please contact Dave Teggins at 801-556-4082 for the gate location and code. Aircraft will be able to fully use runway 17-35 during the work. Taxiway A will have reduced wingtip clearances and possible back taxiing for two days during the project. Please check NOTAMS prior to coming out to or flying into Tooele Valley Airport during the project.

## 7800 SOUTH ROADWAY CLOSURE BY U42

West Jordan City began roadway work on 7800 South just south of South Valley Regional Airport. The road is closed between Jordan Landing and Airport Road. Traffic is diverted onto New Bingham Highway to access airport road when coming from the East. The closure is part of a larger project to realign the roadway that runs by the airport. Please use caution in the area and give yourself a few extra minutes for travel time.
