WEEKLY CHANGES SUMMARY

- Airlines continue to make cutbacks to their fall and winter schedules to accommodate the capacity constraints brought on by the pilot shortage. For the network carriers like Delta, most of the reductions are coming from their regional affiliate airlines, such as SkyWest, who are more affected by the pilot shortage. Markets like SLC continue to fare well compared to other airports in the country.
- JetBlue (B6) released their revised January/February schedule, which included similar changes to previous months, including day of week frequency reductions to Fort Lauderdale (FLL)
- Frontier (F9) made a notable schedule change to Las Vegas (LAS) and Phoenix (PHX) beginning in February:
 - LAS: frequency reduction from 1-2X to 1X daily
 - PHX: frequency increase from 4X weekly to 1X daily

NOTABLE UPCOMING CHANGES

- Delta's service to London-Heathrow (LHR) will now continue year-round
