MEDIA TOUR OF DEICING FACILITIES

What: Cooler temperatures mean aircraft deicing has begun. Come get a behind-the-scenes look at the airport's deicing facilities, which are operated by Integrated Deicing Services (IDS). You'll observe deicing training and learn more about the deicing process.

Who: Randy Hubbell, General Manager, IDS
Jaron Crocker, Operations Supervisor, IDS

When: Friday, October 4 from 9 a.m. to about 10 a.m.

Where: Park at 600 N. 3700 W., located slightly south of Terminal 1, see map below. From there, we will board a shuttle and head out to a deicing pad.

RSVP: Please email nancy.volmer@slcgov.com if you are planning to attend.
