THE NEW SLC OPENING DAY EVENTS

What: The first phase of The New SLC Airport will open to passengers with activities planned to celebrate the first departing and arriving flights. The New SLC is the first new hub airport built in the 21st Century. At 4 a.m. on Sept. 15, the Salt Lake City Department of Airports will open a new parking garage, terminal and the west portion of Concourse A. Delta Air Lines, who has remained a steady and strategic partner throughout this project, will also be opening their newest and largest Sky Club within their network.

When: Tuesday, September 15, 2020

- 4:00 a.m. The New SLC Airport opens to ticketed passengers
- 5:00 a.m. Media to be at Concourse A gate for ribbon cutting festivities
- 6:00 a.m. First flight #2020 from SLC to ATL departs
- 6:10 a.m. Overview of Delta's Care Standard and tours of the Delta Sky Club begin and ongoing.
- 7:20 a.m. First flight #3540 from Idaho Falls to SLC arrives
Water salutes for departing and arriving flights are planned.

Where: Third level of The New SLC Airport for live shots and interviews.
Parking is available in the new media parking lot (map to be posted on media Twitter account) or in the new parking garage.
Location for live remotes will be on third level overlooking The Canyon.

Who: The following individuals will be available to speak about different aspects of the new airport beginning at 4 a.m. and throughout the day:

- Bill Wyatt, Executive Director, Salt Lake City Department of Airports
- Gordon Huether, Art Consultant, The New SLC
- Eric Phillips, Senior Vice President, Airport Customer Service and Cargo, Delta Air Lines
- Claude Roussel, Managing Director, Delta Sky Clubs, Delta Air Lines
- Scott Santoro, Vice President Sales, Delta Air Lines
