Salt Lake City Department of Airports to Unveil The New SLC Phase 3

What: The Salt Lake City Department of Airports is preparing to open Phase 3 of The New SLC Redevelopment Program, which includes the Central Tunnel, Concourse B Plaza, 12 concessions and, initially, five Delta Air Lines gates.

The journey for passengers begins with the Central Tunnel connecting A and B Concourses with a large-scale art installation by Artist Gordon Huether titled “The River Tunnel.” As part of the art installation more than 100 songs were curated by Huether and feature tunes related to travel and/or Utah.

As passengers exit the Central Tunnel, they will enter the Concourse B Plaza where The Canyon 2.0 and Northern Light art installations by Huether continue to highlight Utah’s beauty.

When/Where: Tuesday, October 22. Program begins at 10:30 a.m. in Concourse B Plaza. Media should plan to check in for a gate pass at the Southwest Airlines ticket counter in the Gateway (level 2 across from the rental car counters) beginning at 9:30 a.m.

Who:

- Bill Wyatt, Executive Director, Salt Lake City Department of Airports
- Salt Lake City Mayor Erin Mendenhall
- Steve Sisneros, Vice President-Airport Affairs, Southwest Airlines
- Artist Gordon Huether
- A surprise guest to be introduced at the event

RSVP: Media interested in attending must RSVP by Friday, October 18 at noon with the individual’s legal name—as it appears on their driver’s license—and date of birth.
