

# A

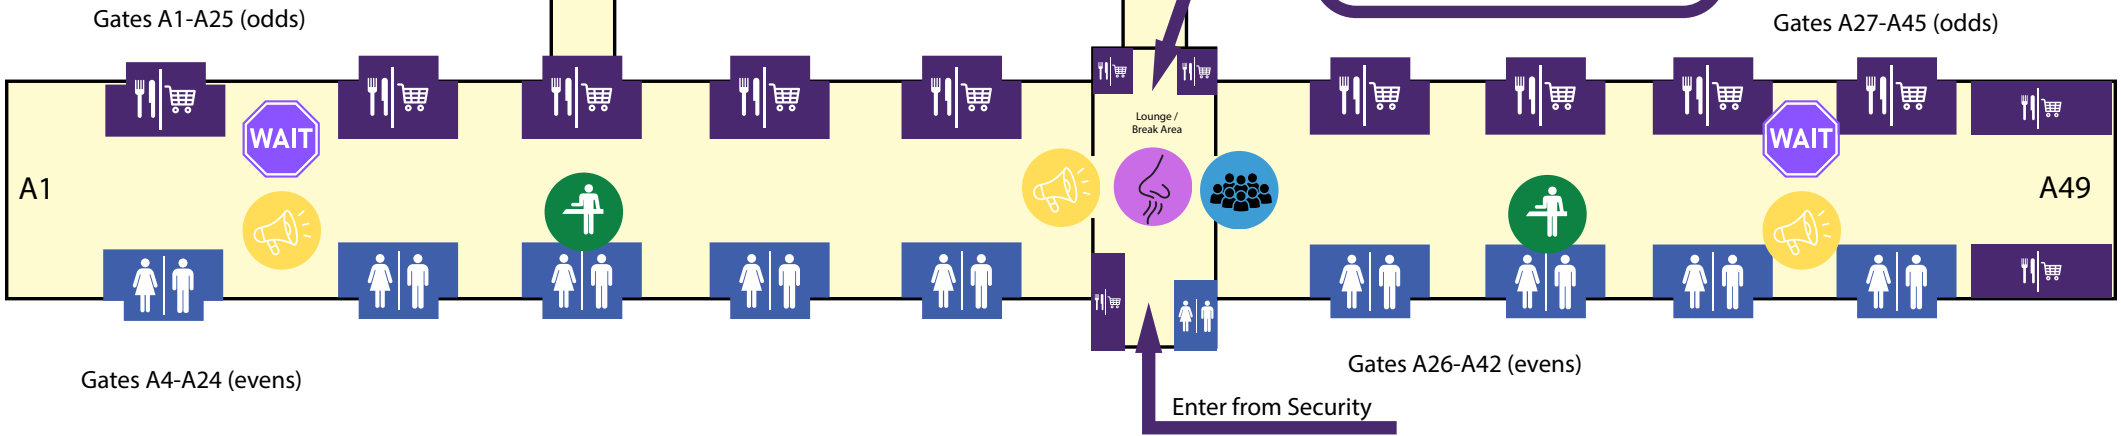

Concourse A

To Concourse B

To Concourse B

There are two long tunnels that connect Concourses A & B. If the walk is too long, there are carts that will provide transportation.

# B

Concourse B

Gates B1-B19 (odds)

Gates B2-B32 (evens)

In each Concourse, the restrooms are always across from a restaurant and a shop. These areas are called 'Nodes' and are indicated by a change in the architecture and color of the walls.
