

A

Concourse A

After going through security, decompress in these comfy seats with wraparound headrests.

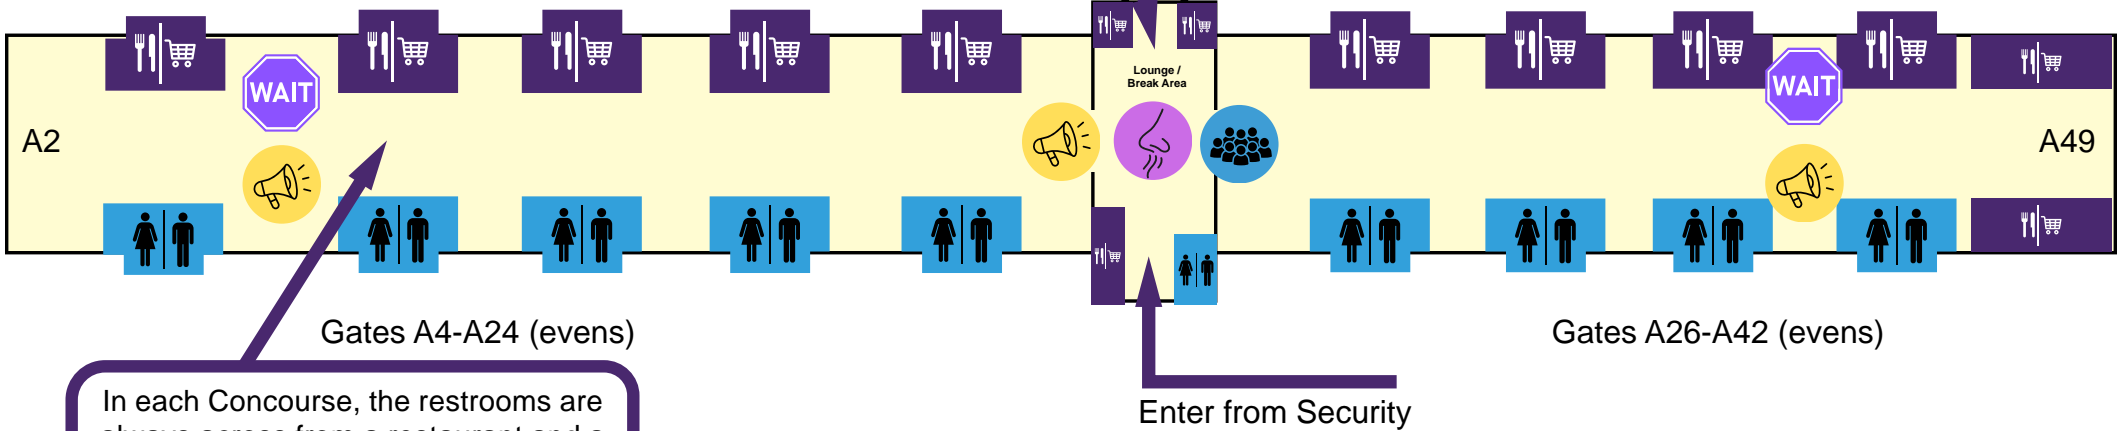

There is a long tunnel that leads to Concourse B. If the walk is too long, there are carts that will provide transportation.

To Concourse B

Gates A1-A25 (odds)

Gates A27-A45 (odds)

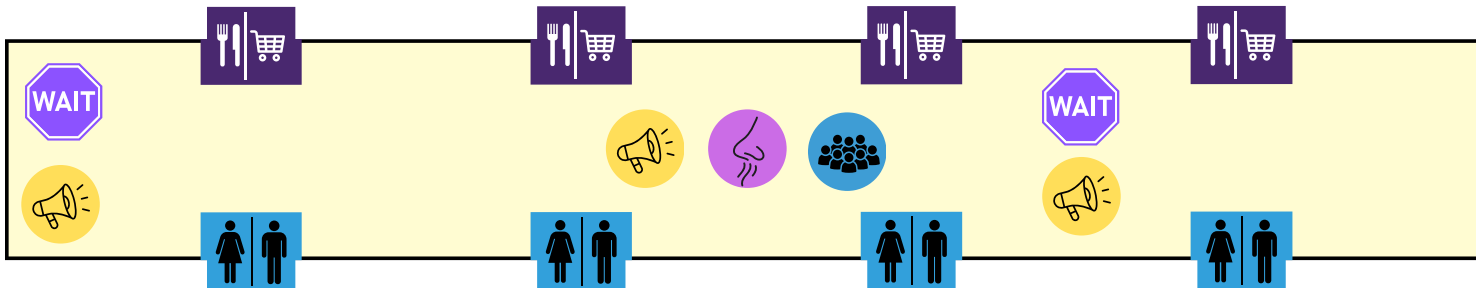

In each Concourse, the restrooms are always across from a restaurant and a shop. These areas are called 'Nodes' and are indicated by a change in the architecture and color of the walls.

B

Concourse B

Gates B1-B21 (odds)

Coming soon! More B Gates and a sensory room for travelers.

Gates B2-B24 (evens)
