## GAT

**Contact:**

Brittany Czuba, Station Recruiter; [Brittany.czuba@wearegat.net](mailto:Brittany.czuba@wearegat.net)

**Description:**

Ramp agents are responsible for loading and unloading aircraft baggage, guiding planes to and from their gates, operating baggage carts, de-icing planes and performing other airplane servicing duties. Ramp agents have fast-paced careers and should be comfortable working in any weather, including rain, snow, and heat. The ideal candidate is capable of working in stressful situations, under rigid time constraints, and potentially interacting with customers.

**Available Positions:**

- Ramp Agent
- Customer Service Agent
- Ramp Supervisor
- Customer Service Supervisor

## Quantem Aviation/Integrated Deicing Services

**Contact:**

Tina Snow, Administrative Assistant; [tsnow@qasslc.aero](mailto:tsnow@qasslc.aero)

**Description:**

**Quantem Aviation Services** is an industry-leading provider specializing in cargo, mail, passenger services, and aircraft handling. Our core focus is the delivery of reliable aviation support services to our customers in the safest, most efficient way. Quantem Aviation Services ensures all staff is prepared and equipped to operate in a safe and efficient manner at all times. Our specialists are experienced, knowledgeable, and committed to meeting client expectations. Ramp Agents play a critical role in keeping passengers and aircraft moving safely and on time. As a Ramp Agent, some of your responsibilities include:

- Facilitate the processes of loading and unloading of containers from aircraft and warehouse
- Sorting and scanning packages
- Assisting in the arrival and departure of the aircraft to the gate
- Ensures all QAS and Customer's safety standards are met and maintained
- Operating ground services equipment

**Integrated Deicing Services:** Our core business is the safe and efficient delivery of deicing and anti-icing services to our carrier clients. This focus allows IDS to maintain a high-quality approach driven by using cutting-edge technology to minimize chemical consumption and maximize efficiency.

- Within your first week, you will complete a challenging and exciting training program that will teach you how to succeed in your new role.
- Drive deicing trucks around aircraft and in areas around the airport.
- Operate deicing truck booms and spray nozzle in close proximity to aircraft at heights exceeding 40 feet.
- Use deicing fluids to remove winter contaminants such as frost, snow, slush, and ice from aircraft surfaces. Use anti-icing fluids to protect aircraft surfaces from contaminants.
- Utilize the latest technologies in dispatching and record-keeping tools on tablets.
- Communicate with coworkers, support crews, dispatch, and flight crews in a clear and concise manner via headsets and radios.
- Follow and uphold company, customer, and regulatory requirements and procedures when carrying out your duties

**Available Positions:**

- Ramp Agent
- Aircraft Deicer

## SLC Corporation

**Contact:**

Kelsey Jung, HR Recruiter; [Kelsey.jung@slcgov.com](mailto:Kelsey.jung@slcgov.com)

**Description:**

Salt Lake City is dedicated to promoting equity, inclusion and belonging for all members of our City family. As an Equal Opportunity Employer, the City is committed to building a qualified and competent workforce based on principles of diversity at each step of the recruitment and selection process. We aspire to shape a better community and workplace, and as such, we are committed to pay equity. We are proud to have achieved gender pay equity as a leader in the Utah community by creating an inclusive workplace where there is equal opportunity for all. Additionally, the City is committed to the full inclusion of all qualified individuals. As part of this commitment, Salt Lake City will ensure that persons with disabilities are provided reasonable accommodations. If reasonable accommodation is needed to participate in the job application or interview process, to perform essential job functions, and/or to receive other benefits and privileges of employment, please contact Human Resources at 801-535-7900.
