AIS Commercial Construction

10/16/23

Drawing Coordination

- 1) Airport/ Base Building Plan Review
- 2) Code vs. Airport/ Base Building Requirements
- 3) Local Architect & Engineers vs. Out of State Architect & Engineers
- 4) 100% drawings should be 100% drawings

Red Tape is REALLY Sticky

- 1) Coordination is great, Unnecessary paperwork, Meetings. Etc. is not so great
- 2) Base Building, Airport Consultants/ Management, Etc. - Involvement
- 3) Communication Systems vary and can be helpful but can cause delays

T-Shirts are Printed

- 1) Regardless of when Tenant Contactors start, the Opening date NEVER changes
- 2) Base Building GC Turnover Coordination
- 3)
