

AIRPORT REDEVELOPMENT PROGRAM

PHASE 2 COMING IN 2023–2024

The New SLC Email Alert - March 2021

## New Concessions Open and More to Come!

New shops and restaurants are coming online each month at Salt Lake City International Airport with more expected in the coming months. The past month, the Deseret News and Visit Salt Lake have opened in Concourse A. Currently, 64% of concessions are operational and 14% are under construction. By end of summer, 86% will be operational and 14% deferred to a later date.

Here's a preview of what will be coming this spring: Fillings & Emulsions, Garbanzo, MAC, Panda Express, Roosters, Smashburger, Starbucks and UNO. In the summer and fall look for: Briggs & Riley, Coach, FRYE, Panera Bread, Pizzeria Limone and Pick Up Stix.

## Stone Columns Installation Now Underway

Stone column installation has begun on the second phase of The New SLC Redevelopment program. Phase II includes the build-out of Concourse A to the east. The columns are three feet in diameter and go 40 feet into the ground. [Click here](#) to see a video from Phase I that explains the installation process.

## Delta Tower Demolished

The 84-foot tall Delta Tower that was built in 1989 to direct aircraft to the gate came down on Monday, February 15. The demolition marks a major milestone in Phase II of The New SLC. [Click here](#) to see footage of the demolition.

## Download SLC International Phone App

Don't miss a thing! Download the airport's handy phone app to better navigate The New SLC Airport. In addition to flight schedules and parking information, the Airport Phone App includes a map where passengers can get directions from the security checkpoint to A and B concourses and everywhere in-between. The map shows the location of shops and restaurants, restrooms, pet relief areas and includes walking distances.

## Central Tunnel Construction Moves Forward

As part of The New SLC Airport Phase 2, a permanent tunnel is being constructed between concourses A and B, which will ease walking times. Construction workers are installing H-Piles at an average of 17 per day to create a solid foundation. Look for the tunnel to open in 2024. [Click here](#) to see ongoing photos of the construction.
