Utah Rotor Pathway Fly-In

Utah Rotor Pathway will hold its first helicopter fly-in on Thursday, March 31 between 1 and 5 p.m. at Granger High School in West Valley City, 3580 South 3600 West. The event will highlight aviation career opportunities across the Wasatch Front. Industry pilots and mechanics will present every half hour and helicopters will be on display from various Utah companies. Utah Rotor Pathway plans to hold this event at a different high school each year.

Granite School District Open House

Granite School District will hold its annual Aeronautics Careers Open House on Saturday, April 30 from 9 a.m. to 1 p.m. at South Valley Regional Airport. The open house highlights the array of careers in the aviation industry with an emphasis on high demand and military careers. Pilots, flight attendants, mechanics and other aviation professionals will be in attendance to answer questions about their careers. The event is free and open to the general public.

Tooele Runway Overlay

Tooele runway and taxiway overlay projects are scheduled to begin in mid- to late-Sept. As part of the project, Runway 17-35 will be closed for 14 consecutive days. The project includes runway overlaying, taxiway overlaying and airfield lighting upgrades. Additional details will be available after the project bid is awarded.

2022 Mid-Air Collision Webinar

The 2022 Mid-Air Collision Avoidance Seminar will be held virtually on Tuesday, March 15 between 5 and 9 p.m. The seminar highlights safe operations between military and civil aircraft to avoid potential conflicts. Following is a draft agenda:

Opening remarks: LT COL. David Isaksen

Military issues in special use airspace: Kory Guerrero

KC-135 flight procedures around airfields: LT COL. David Geerdes

UAS Activities and Hill tower Ops: Hill ATC

F-35 Flight Characteristics: Capt. Alexander Best

GA and VFR Activity: FAA SLC Approach Control

Flight planning and weather phenomenon: FAA SLC Center

Closing remarks: Garret Tucker
