INCREASED MILITARY ACTIVITY AT SOUTH VALLEY REGIONAL AIRPORT THIS SPRING

South Valley Regional Airport will see increased military traffic thru April 15. Two National Guard units will make South Valley their home for two week annual training. The first group is on the ground and depart soon. The second group is scheduled to arrive an April 1 and stay thru April 15. Both groups operate large Boeing CH-47 Chinook helicopters. Parking for these helicopters will be on the east side of the airport.

NOTIFY FRIENDS AND FAMILY OF FLIGHT PLAN CHANGES

Please notify friends and family of any changes to your flight plans. The General Aviation office received three different requests for hangar and welfare checks from family members because their pilot was well over two hours overdue. These calls happen at all hours of the day and night. Pilots could possibly be financially responsible for search and rescue costs if the situation escalates.

TVY AND U42 GATE CODES CHANGED FEBRUARY 15

EXPERIMENTAL AIRCRAFT ASSOCIATION SETS 2019 YOUNG EAGLES FLIGHT SCHEDULE

Experimental Aircraft Association (EAA) Chapter 23 recently announced its 2019 Young Eagles flight program. The Young Eagles program provides a free flight experience to youth between the ages of 8 and 17. This gives girls and boys the opportunity to experience the joy of flight from a small aircraft perspective. Volunteers donate their time, aircraft and fuel. Chapter 23 gave over 10,000 kids their first free flight in its 26 year history of the program. More information can be found at www.eaa.org.
