## South Valley Overflow Parking

The north parking lot at South Valley Regional Airport is filling up on a regular basis, so the airport has added a gravel parking area west of Gate A to accommodate overflow parking. Tenants and customers who can not park in a painted parking spot should plan to use overflow parking to ensure emergency response vehicles can access the north hangar area.

## Young Eagles at Tooele Valley Airport July 17

The Experimental Aircraft Association (EAA) Chapter 23 is bringing the Young Eagles flight program to Tooele Valley Airport on July 17. Kids ages 8-17 are eligible to receive their first airplane ride from the group. Flights will operate between 8 and 11 a.m. To register for the event, click [here](#).

## South Valley Hangar Waiting List Updated

The first update of the South Valley Regional Airport hangar waiting list since implementation of the \$150 deposit is now available. The demand for single, enclosed hangars has dropped from 270 spots to 107. Demand for all hangar categories has dropped at least 33%. The updated Salt Lake International Airport hangar waiting list will be published in July. Both waiting lists can be found [here](#).

## Master Planning Kicks Off for South Valley Regional and Tooele Valley Airports

The Salt Lake City Department of Airports is updating the master plans for South Valley Regional Airport and Tooele Valley Airport. The master plan will determine the future facility needs of the airports and help chart a strategic course for the next 20 years. RS&H Engineering Consultants were the successful bidders for the master plan project and plan to kick off the process in July. A series of meetings will be held for tenants and users of both airports. Stay tuned for more details.
