

SLC INTERNATIONAL OFFERS TIPS FOR HOLIDAY TRAVEL

Travelers are packing their bags and heading out to the airport to destinations near and far for the Thanksgiving holiday. SLC International is preparing for an increase in passenger traffic on Wednesday, which is expected to be the biggest travel day prior to Thanksgiving along with the Sunday following the holiday. The airport expects upwards of 30,000 passengers to go through screening on those days and as many passengers to arrive.

Tips help passengers prepare for their flights:

- Arrive two hours prior for domestic flights and three hours when traveling internationally.
- Bring a REAL ID or another acceptable form of ID, such as a passport.
- Take the uncertainty out of finding airport parking and reserve parking in advance at slcairport.com
- Check the airline's app or website for your flight status and for possible weather delays.
- Pack appropriately and know what can and cannot be brought through security in a carry-on bag. Strollers, baby carriers and car booster seats are allowed through the checkpoint but must be screened.
- Bring activities to engage children during long waits and don't forget to check out Ally the Allosaurus in Concourse B.
- Check out a new art installation—Swallows in Flight—in Concourse B-west.
- Explore the two new lounges in Concourse B—AmEx Centurion Club and Delta Sky Club. Six more shops and restaurants are now open on Concourse B-east as well.
- Access one of three Sensory Rooms designed for individuals who may need a break in a quieter environment.
- Enjoy the holiday performers scheduled at the airport on Wednesday with everything from jazz music to guitar players to create a calming travel environment.
- Remain in the Park and Wait lot for arriving guests until passengers have picked up their bags and are curbside.
