PROCESS

Driver must schedule an appointment with the Airport's Access Control/ID Badging Office by visiting <https://slairport.com/badging/get-a-badge/make-an-appointment/> to submit the application and complete the FBI fingerprint check. The application/fingerprint process takes approximately 30 minutes. An appointment is also required for a badge renewal.

Driver must bring the following to the Access Control/ID Badging Office to begin the process.

- Money Order Payable to Department of Airports
- Cashier's Check Payable to Department of Airports
- Company Check Payable to Department of Airports
- Credit/Debit Card*

***If paying with a company credit/debit card, please ensure Section 2 of the application is complete**

Once the fingerprint results and security threat assessment have cleared, the driver's name will be posted to the Airport's Badging Website. This process takes between 5 and 14 days. It is the driver's responsibility to check the website for cleared results. Do not call the Badging Office unless the results have not cleared within 14 days. Drivers will appear on the cleared list with the company name, "Ground Transportation."
