

Good Morning,

This is a reminder that the 9A curb is operated by Yellow Cab exclusively. If operators other than Yellow Cab are witnessed performing passenger pick-ups, they are subject to citation under 5.71.090 (Unauthorized Solicitation) and 16.60.040 (Unauthorized Passenger Pick-Up). We have communicated with the group in the past that this area is no longer available for pick-ups, and may only be used by Yellow Cab. Please do not operate at 9A, and only operate in your designated areas. These areas include 4A, 5A, The Parking Structure, and the Bravo Lane if you are operating as Lyft or Uber.

If you have any questions regarding this email, please contact our office.

Thank you,
