

Recently we received an inquiry on how to handle airline transportation vouchers. Below you will find information for each airline that issues vouchers. Please make sure that when seeking reimbursement, that you send the trip receipt with the voucher. If receipts are not sent, the airlines will deny the request.

We hope this information is helpful to you.

Thank you

Alaska Airlines

Unknown, as Alaska Airlines did not respond to our information request. We are not sure at this time if Alaska issues travel vouchers. If by chance they do, and you receive one, email their station manager at richard.gray@alaskaair.com.
