

Just a quick FYI regarding quite a bit of construction that is currently going on and will continue through October. Please be mindful of your speeds while navigating through the construction sites and be aware of lane changes. Throughout these projects, there will be several occurrences of lane closures and lane shifts. Below is a simple breakdown of the construction projects you may see or be affected by.

- B-Lane Expansion Project
 - Both ends of the B-Lane are being expanded. The east side is underway.
- GT Staging Lot Restroom Project
 - Two restrooms are being constructed in the GT Lot
 - The work area has since been coned off, and work will commence in the coming week.
- GT Staging Lot Restriping
 - The GT Lot will be restriped. This will create new entry points, lanes, and parking.
- B-Lane to C-Lane (Arrival) Crosswalk
 - A third crosswalk will be installed. This crosswalk will be in the center of the B-Lane and extend over to the C-Lane (Arrivals).
- Arrival Lane Expansion (East end).

If you have any questions or concerns, please feel free to contact us.

Thank you,
