

Good morning,

We have noticed operators staging in the staging lots for extended periods of time. As a reminder, both staging lots (Airport and TNC) are meant to be used for short term operating purposes, and have a time limit for staging. Per Airport Rules and Regulations, operators should not be staging for a period longer than 1-hour. If an operator is witnessed to be in the lots for longer periods of time, they will be instructed to leave.

In addition, per Airport Rules and Regulations, vehicles must be parked in designated stalls. Please be aware of your surroundings within the staging areas. Please do not block drive lanes, stalls, or other areas that are meant for vehicle movement. If witnessed to be non-compliant, operators will be instructed to reposition their vehicles, or leave the area.

Thank you for your attention to this matter, and if you have any questions, please feel free to contact us.
